EDUCATION

Rungta College of Engineering and Technology

B.Tech Computer Science and Engineering - **CGPA: 7.75**

2024 – 2028

Bhilai, Chhattisgarh

EXPERIENCE

PLACEMENTNAMA 2025

March 14 – March 18

Student Coordinator

- **Collaborated** with academic departments and corporate partners to streamline candidate shortlisting, which **reduced pre-screening turnaround time by 40%**.
- **Facilitated** employer engagement through timely communication and customized scheduling, enhancing company satisfaction and securing **repeat participation from 90% of recruiters**.

PROJECTS

NoteMindAI | [React](#), [Node.js](#), [MongoDB](#)

- Developed full-stack NoteMindAI app with JWT auth, REST APIs, MongoDB, and Docker achieving 500+ users, 95% uptime, and 150ms API response times.
- Optimized React frontend with Context API, React Query, and PWA features delivering 3x faster loads, offline support, and 85% user retention via A/B testing.

AI Based Smart Traffic Control System | [HTML](#), [CSS](#), [JavaScript](#)

- Engineered real-time traffic dashboard with computer vision APIs and dynamic signal optimization reducing simulated congestion by 35% during peak hours.
- Integrated TensorFlow.js ML models with interactive heatmaps achieving 98% accurate traffic predictions and 25% faster emergency response.

Portfolio | [HTML](#), [CSS](#), [JavaScript](#), [React](#)

- Engineered responsive personal portfolio showcasing 3+ projects with React animations, CSS Grid, and interactive project filters increasing visitor engagement by 60%.
- Implemented contact form with EmailJS integration and performance optimized site achieving 100/100 Lighthouse score and mobile-first design.

TECHNICAL SKILLS

- **Languages:** Java, C, JavaScript, MySQL
- **Technologies:** ReactJS, NodeJS, ExpressJS, MongoDB
- **Tools:** VS Code, Git, Github

CERTIFICATIONS

- MERN Full Stack Development - Coding Spoon
- Programming in C - Infosys Springboard
- SQL Basics

EXTRACURRICULAR

- * Participated in coding contests and hackathons.
- * Continuously improving problem-solving and DSA skills.
